

Vital Alliance

FAQ's for Team Captains

Is it difficult to organize a team?

We help make it easy. We provide all the materials and guidelines you need to ensure your success in building a team and fundraising.

What if I register my team on-line and someone wants to join my team after the deadline **Wednesday, Nov. 17, 2010**?

Any individuals that want to join your team after the deadline will need to go to the registration tables the day of the event to register. Note: The line will be long, so the earlier the better.

A \$5 Late Registration Fee will be added to those who register after the deadline.

What happens if it rains?

The Vital Alliance Donate Life Run/Walk is held rain or shine.

If I still have questions about forming a team who can I contact?

Please email Katherine at runwalkteam@vitalalliancetexas.org

Will anyone support me as a team captain once I've formed a team?

Yes. The team liaison committee member for the Vital Alliance Donate Life Run/Walk will send information and helpful emails to assist team captains.
